Dear Mr. Evers:

This is in response to your Freedom of Information Act (FOIA) request.

Records responsive to your request are currently being processed. In order to avoid charging duplication fees unnecessarily, we will make these records available in the FBI's FOIA Library (The Vault) on the FBI's public website, <http://vault.fbi.gov>. On the right-hand side of the home page, under the heading "Vault Links" you can search for your subject alphabetically (click on "A-Z Index"), by category (click on "Categories"), or by entering text into our search engine (click on "Search Vault"). For records responsive to this request, please enter "Supreme Court Justice Brett Kavanaugh Supplemental Background Investigation and Related Tip Records" as the search term.

The available documents will represent an interim release of information responsive to your FOIA request. Your request will remain open while monthly releases are placed on the Vault. Please continue to monitor the Vault for material responsive to your request. You will be notified when the final release on this subject is posted and your request is closed.

It is unnecessary to adjudicate your request for a fee waiver as this material is being provided at no charge.

Please refer to the enclosed FBI FOIPA Addendum for additional standard responses applicable to your request. The "**Standard Responses to Requests**" section of the Addendum applies to all requests. If the subject of your request is a person, the "**Standard Responses to Requests for Individuals**" section also applies. The "**General Information**" section includes useful information about FBI records. Also enclosed is our Explanation of Exemptions.

## FBI FOIPA Addendum

As referenced in our letter, the FBI FOIPA Addendum includes information applicable to your request. Part 1 of the Addendum includes standard responses that apply to all requests. If you submitted a request regarding yourself or another person, Part 2 includes additional standard responses that apply to requests for individuals. If you have questions regarding the standard responses in Parts 1 or 2, visit the [www.fbi.gov/foia](http://www.fbi.gov/foia) website under “Contact Us.” Previously mentioned appeal and dispute resolution services are also available. Part 3 includes general information about FBI records that you may find useful.

### Part 1: Standard Responses to All Requests: See Below for all Requests

- (i) **5 U.S.C. § 552(c).** Congress excluded three categories of law enforcement and national security records from the requirements of the Freedom of Information Act (FOIA). See 5 U.S.C. § 552(c) (2006 & Supp. IV (2010)). FBI responses are limited to those records subject to the requirements of the FOIA. Additional information about the FBI and the FOIPA can be found on the [fbi.gov](http://fbi.gov) website.
- (ii) **National Security/Intelligence Records.** The FBI can neither confirm nor deny the existence of national security and foreign intelligence records pursuant to FOIA exemptions (b)(1) and (b)(3) and PA exemption (j)(2) as applicable to requests for records about individuals [5 U.S.C. §§ 552/552a (b)(1), (b)(3), and (j)(2); 50 U.S.C. § 3024(i)(1)]. The mere acknowledgment of the existence or nonexistence of such records is itself a classified fact protected by FOIA exemption (b)(1) and/or would reveal intelligence sources, methods, or activities protected by exemption (b)(3); 50 USC § 3024(i)(1). This is a standard response and should not be read to indicate that national security or foreign intelligence records do or do not exist.

### Part 2: Standard Responses to Requests for Individuals: See Below for all Requests for Individuals

- (i) **Requests for Records about any Individual—Watch Lists.** The FBI can neither confirm nor deny the existence of any individual's name on a watch list pursuant to FOIA exemption (b)(7)(E) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (j)(2)]. This is a standard response and should not be read to indicate that watch list records do or do not exist.
- (ii) **Requests for Records for Incarcerated Individuals.** The FBI can neither confirm nor deny the existence of records which could reasonably be expected to endanger the life or physical safety of any incarcerated individual pursuant to FOIA exemptions (b)(7)(E) and (b)(7)(F) and PA exemption (j)(2) [5 U.S.C. §§ 552/552a (b)(7)(E), (b)(7)(F), and (j)(2)]. This is a standard response and should not be read to indicate that such records do or do not exist.

### Part 3: General Information:

- (i) **Record Searches.** The Record/Information Dissemination Section (RIDS) searches for reasonably described records by searching those systems or locations where responsive records would reasonably be found. Most requests are satisfied by searching the Central Record System (CRS), an extensive system of records consisting of applicant, investigative, intelligence, personnel, administrative, and general files compiled and maintained by the FBI in the course of fulfilling its dual law enforcement and intelligence mission as well as the performance of agency administrative and personnel functions. The CRS spans the entire FBI organization and encompasses the records of FBI Headquarters (“FBIHQ”), FBI Field Offices, and FBI Legal Attaché Offices (“Legats”) worldwide. A CRS search includes Electronic Surveillance (ELSUR) records.
- (ii) **FBI Records**  
Founded in 1908, the FBI carries out a dual law enforcement and national security mission. As part of this dual mission, the FBI creates and maintains records on various subjects; however, the FBI does not maintain records on every person, subject, or entity.
- (iii) **Requests for Criminal History Records or “Rap Sheets.”** The Criminal Justice Information Services (CJIS) Division provides Identity History Summary Checks —often referred to as a criminal history record or “rap sheets.” These criminal history records are not the same as material in an investigative “FBI file.” An Identity History Summary Check is a listing of information taken from fingerprint cards and documents submitted to the FBI in connection with arrests, federal employment, naturalization, or military service. For a fee, individuals can request a copy of their Identity History Summary Check. Forms and directions can be accessed at [www.fbi.gov/about-us/cjis/identity-history-summary-checks](http://www.fbi.gov/about-us/cjis/identity-history-summary-checks). Additionally, requests can be submitted electronically at [www.edo.cjis.gov](http://www.edo.cjis.gov). For additional information, please contact CJIS directly at (304) 625-5590.
- (iv) **The National Name Check Program (NNCP).** The mission of NNCP is to analyze and report information in response to name check requests received from federal agencies, for the purpose of protecting the United States from foreign and domestic threats to national security. Please be advised that this is a service provided to other federal agencies. Private citizens cannot request a name check.

Washington

insider Brett Kavanaugh has said presidents should be shielded from litigation while in office <https://cnn.it/2u6jNnk>

this goes against the  
watergate investigation, among many others.

this guy is a gay power  
worshipper.

and is already showing it.

before he even begins.

this  
is such a thing as checks and balances.

and liability for the president,  
or any enforcer.

this stands against\*

the american values of freedom,  
bravery,

merit.

that he is already pretending he stands for, but  
clearly does not.

my opinion, at least.

Tip:	Arrst the criminal rosenstein			
In an unusual request, Deputy Attorney General Rod Rosenstein asked federal prosecutors to help review documents of President Trump's SCOTUS nominee, Brett Kavanaugh.				
Rosenstein's email subject line sent to 93 US Attorneys read, "Personal Message to U.S. Attorneys From the Deputy A.G." and included the sentence, "We need your help in connection with President Trump's nomination of Judge Brett Kavanaugh to serve on the Supreme Court."				
The New York Times reported:				
Rod J. Rosenstein, the deputy attorney general, has asked federal prosecutors to help review the government documents of Judge Brett M. Kavanaugh, President Trump's Supreme Court nominee, according to a letter obtained by The New York Times on Wednesday.				
Mr. Rosenstein's request was an unusual insertion of politics into federal law enforcement. While the Justice Department has helped work on previous Supreme Court nominations, department lawyers in Washington typically carry out that task, not prosecutors who pursue criminal investigations nationwide.

I am [REDACTED] and I required by law and oath to report all domestic terrorism and crimes associated with them. Your Fagland Security is telling me to say horrible things against [REDACTED] or else they will continue to torture me through my earpiece. They are telling me to cooperate and do what they say or else they will murder my whole family and murder [REDACTED]. They said they would continue to rape [REDACTED] unless I do as they say. The FBI is also in on it with them and they either have an earpiece and microchip connected to my brain for electricity or both. They purposely give me massive migraines and drug me continuously in Guantanamo Bay, Pacifica, CA. They are refusing to let me leave and using extortion to keep me here. They are telling everyone to cooperate or else they will murder them and their whole families. They want me to say I am the Anti-Christ and I am gay. They told me to say bad things about Brett Kavanaugh and Trump. I refused to say anything about Trump. I told them [REDACTED] and they keep telling me I'm a Jew and I have no rights and they were responsible for murdering [REDACTED] along with the Mormons and told [REDACTED] I was a Jew and [REDACTED] were retarded by other women and [REDACTED] were not mine. The Federal Bureau of Mormon scum has been behind stealing my music lyrics for decades in conspiracy with the Mormon Satanic Cult to make hit music. Without my writing the music quality has taken a dump. All the feminists and Mormons have closed up shop and they have no Godly source of music or inspiration by splitting [REDACTED] I apart. The Federal government was taking their cut from the music industry and they do the same with Internet porn and encourage it. I have tracked these sites of filth and perversion and they are coming from the federal government. The Federal government is responsible for all of these sexual crimes in America and it was the Federal government who represented porn in the Supreme Court and Federal courts to not shut this filth down. The FBI and Fagland security tried to portray me as a Jew hater and break up any relationship with Winona Ryder. They gave her incorrect information on me and have continuously posed as [REDACTED] Winona Ryder, myself and others on Facebook and other sources of media. They are blocking my Facebook account and my right to free speech. They told me that they bribed Winona Ryder to not marry me and for the Jews to not support me. They block all of my communication and are sending out texts and emails which I did not write. They blocked my attempt to communicate with Senator Diane Feinstein and are giving me a fake Internet to use. They said they would murder Winona Ryder if I tried to find and talk to her. They said they are using all of my money to give to others and [REDACTED] and conservative causes. This is all domestic terrorism of the Federal government.

When

I see an agency like that one issue a report on school shootings, it clearly tells me those events come from the Oval Office. Obama Biden Trump Clinton stuff like killing little children in the school yard. It's delusional to think that my family and professional problems come from those political people. My exwife's [REDACTED] project is located in Hollister CA. There's a [REDACTED] on the Patriots football team. We used to work with [REDACTED] whose big client was Nike. He died of prostate cancer shortly after Amec bought Geomatrix. Now there's a pitcher on the Boston Red Sox team named [REDACTED]. There's lots of stuff like that with me. I've been to Bagley, MN. [REDACTED] was drafted by the Sacramento Kings recently. The coach is from my home state and region of Minnesota. I knew a Bulgarian [REDACTED] in college. He was a cool guy who got a PhD in China. Then there's [REDACTED] who played college ball at the University of Kansas. My grandfather was from Kansas. He was a Manhattan, Kansas State University graduate. He was an engineer. I want to go back there and be a farmer again but I need money first. I've been moonbeamed for decades and it wasn't very helpful. I was lucky to be focused enough to stick to academics but my social life was nonexistent. We have freedom of assembly constitutional problems here and they're really bad. We can't have community stuff which is extremely important for war stuff. The Indians who live here don't have that problem. I feel like I'm being invaded and subjugated by the British Indians.

b6 -4  
b7C -4

My middle name is [REDACTED] is a big person in the Environmental industry. I took trainings from him. He's really good. He's a Berkeley engineer. Brett Kavanaugh is clearly my conspiracy guy. The 1990s weren't a fun time for me. Here comes [REDACTED] isn't a fun name and now it's British Wood.

b6 -4  
b7C -4

There are people doing conspiracy on me and it seems to come from British Jewish Indian stuff. It's foreign or recent immigrant stuff. Those people seem to want to create a conspiracy problem for me which they have already done. Some poor Indian who wants to make his family rich back in India could kill me for conspiracy reasons. I'm paranoid about those people.

Brett Kavanaugh participated in drafting the rules for the GWB admin that he said he had nothing to do when asked by Senator Durbin back in 2006.

Kavanaugh lied to the Judiciary Committee when being considered for the District Court of Appeals (DCA). He was involved in setting the policies for the treatment of enemy combatants. June 25, 2007 WFO published a report that Brett Kavanaugh was involved in the crucial meeting (circa 2002) involving a conversation about detainees at Guantanamo.

He told Senators during his confirmation hearings that he was not involved in the questions about the rules governing detention of combatants. "I do not have involvement with"; "You can tell by his stuttering when answering that question that he was obviously lying through his teeth. We can't trust a lying federal judge to be a good Supreme Court (SC) judge.

Dianne, you must stand up to Grassley to release the WH tenure papers of Kavanaugh during his time at the WH. The American people should be able to see for themselves what a lying federal judge Kavanaugh is. He was involved! He lied when it was politically expedient. If it had been known at the time that he actually attended that 2002 meeting, Kavanaugh would not have been in the DCA for the last dozen years plus.

He should be castigated now! Not given a seat on the highest court of the land as a reward for lying to the American people. This is an injustice of the first kind. Benczkowski, made head of the Criminal Justice Division, a Russian and PT supporter, appears to do anything for the PT/GOP/ and Russian causes; cleared the Russian Alfa Bank in private practice and was allowed back into the DOJ.

He allegedly has hidden and prevented information to reach prosecutors that would help the SC investigation in the Russia probe. AG Gonzales refused to answer Senator Leahy and did not respond to Leahy's referral to investigate whether Kavanaugh lied to Congress. The Justice Department guy who cleared Kavanaugh was Brian Benczkowski. Why am I not surprised?

Brian signed the DOJ letter in response to Leahy's referral clearing Kavanaugh any further investigation. Of course, we now know that the letter that Gonzales wrote on waterboarding was informed by Kavanaugh. That's why you will not get all the Kavanaugh documents that the Dems in the Senate have requested. That's why you get Susan Rice at the hearing speaking for Kavanaugh; she was also involved on the coverup about Guantanamo and waterboarding. The whole GWB WH will fight to continue the coverup!

Benczkowski has to be there to protect Kavanaugh and himself and the GWB WH from the lying to the American people. This is a huge coverup of extraordinary proportions!

What are you going to do about it? Are you in on it too?

Tip:	Do we have a political problem with stupid fat people moonbeaming stupid smart people? It sure seems that way. Fat stupid people doing like smart competition so they mess them up in the head. Brett kavanaugh is a smart guy and I'm pretty sure he went through something quite similar back in the 1990s. [redacted] conspiracy woman sitting behind the Hawaiian Senator has alot of twitches like Pence did when he welcomed home the veterans from North Korea. I don't like this situation. The Obama administration must have put a spreadsheet of people into headstuff civil war and it's still running on people's brains. I don't understand what my govt is doing here but all of it looks really bad and unconstitutional.

Tip:	I am requesting the arrest, for tendering false testimony, before Congress over 2 weeks. He was nominated by criminal trump who too has committed federal crimes, firing Comey to obstruct investigation and conspiring with lawyer to rig election. trump has nominated this lawyer to try to rig the entire government as his nominee said he disapproves investigating/prosecuting a criminal/president trump by design has had him to be justice, a perjuerer. He and others hid documents, then, carefully crafted false testimony to aid a criminal president. the fbi should act as duty to reinstate Director Comney, then arrest both trump and his-co-conspirator. the fbi could save our country from a dictatir, a criminal,from tyranny. I demand as a citizen fbi arrest the bastards before too late.

<p>[redacted] was in a car accident over 3 weeks ago on Van Nuys Blvd near Victory going to his job teaching English as a nursing school near there. Hit by a white Lexus driven by someone Hispanic. Happens. However, I find out that is brother metaphysically is Brett Kavanaugh's brother. They are both involved in law, philosophy of law. I don't think it is an accident. Earlier in the year, when [redacted] had health problems, I picked him up and drove him to work and he's a brave, fearless soul. [redacted] from reincarnation [redacted] is also writing a book about victimless crimes.</p> <p>Also [redacted] slept with [redacted] to give [redacted] a body - this is all Scientology speak - I was not allowed to give birth let alone be with a man I would have children with - was the one who was proud to have helped bring [redacted] into the world as people did not want him to be born. Besides being [redacted] he was also [redacted] I hope you guys don't start attacking all the actors except for [redacted]</p> <p>[redacted] BTW, the architect of the WTC surname was [redacted] or something similar.</p>

Tip:	<p>Is there a reference to the city the high school was in where Brett Kavanaugh allegedly sexually assaulted this anonymous female? Police records may have evidence of arrests or interviews of the young Brett, if recorded. I believe the school would be less hesitant to come forward with information regarding Brett's alleged assault if reported. Counselors are typically tied to the family of the students and Brett would have been looked at favorably. What they consider minor misdemeanors would not be reported or talked about. Especially if the assault did come up for discussion, it would have been his word against hers. The Catholic Church is known for covering up all kinds of sexual improprieties no matter how serious. According to Kavanaugh's resume he went to Georgetown High a Catholic Jesuit boarding school.</p> <p>About the only other possible corroboration of the young woman's alleged sexual assault by a young Brett Kavanaugh is from a friend or friends she may have told about the assault at the time it happened. [REDACTED] is my representative.</p> <p>The referral of the anonymous letter is definitely appropriate. No action should be taken on confirming Kavanaugh until the FBI and DOJ have had a chance to come back with their findings on this alleged sexual assault. My heartfelt appreciation goes out to this brave soul who wrote the letter against the nomination of Brett Kavanaugh to SCOTUS. She obviously thought that the assault rose to the level of morality and character that should be considered before the Senate votes to confirm Brett Kavanaugh for life on the SCOTUS.</p>

Lifting the Burdens of Falsehood & Deceit: Open Letters on 9/11 to the Attorneys General of the USA Michael B. Mukasey & Eric H. Holder, Jr. is available for download at Smashwords ebook distribution platform <https://www.smashwords.com/books/view/889310> and at most other on-line ebook retailers.

Written and sent by fax broadcasts to New York and Washington in 2008 and 2009, these letters to former Attorneys General Mukasey and Holder raise many still unanswered questions about the official account of 9/11. Now these letters gain new relevance ten years later with an introduction that exposes President Donald J. Trump, Sir Rudolph W. Giuliani, and Robert S. Mueller III, as principal actors not just in the current "Russiagate" investigations but also in the illegal removal of evidence from the 9/11 crime scene at "Ground Zero" in New York City. Trump's own words seal his fate; hear his interview in English with the German television channel N24 on 13 September 2001. Links and transcripts are provided.

The

Trump-Giuliani-Mueller 9/11 fraud came under the purview of President George W. Bush and his Associate White House Counsel Brett Kavanaugh, who is now Trump's nominee to fill the current vacancy on the Supreme Court of the United States. Both Bush and Kavanaugh failed to stop the criminal disposal of evidence at "Ground Zero" and encouraged the fake news narrative as a welcome pretext to put American muscle on Mesopotamian patrol. And as former Secretary of the Treasury in the George W. Bush administration, Paul O'Neill, revealed to CBS 60 Minutes in 2004, Bush had shown intent to invade Iraq at his very first National Security Council meeting in February 2001.

9/11 was a ruse to frame and blame Arabs and Muslims and thereby commence Bush's aggressive wars in the Middle East under the guise of fighting terrorism. Controlled demolitions of the World Trade Center Twin Towers and the Salomon Brothers Building (WTC7) and cybernetic telecommunications piracies (such as remote control of the attacking jets and high-tech impersonations on phones and radio) were the methods used by the real perpetrators of these heinous crimes. The 9/11 shock & awe atrocities violate international law, particularly the Nuremberg Principles.

Therefore the author argues

for an International 9/11 Nuremberg Tribunal because the Trump-Bush-Kavanaugh-Mueller-Giuliani conspiracy to commit fraud caused an ongoing series of unjustified, illegal and immoral wars in the Middle East which have resulted in millions of innocent victims across the globe. Confronting this praxis of evil will prevent further horizontal asymmetric escalation toward full scale war with Russia, China and Iran. Otherwise, selective prosecution of Trump, who apparently fell into a honey-trap, will shunt into oblivion the true extent of the Trump-Bush-Kavanaugh-Mueller-Giuliani conspiracy and leave these bad actors and their ilk free to create more havoc on a global scale.

Dear	<p>Senator Feinstein should be worry about &amp;#8220;MeToo&amp;#8221; environment and violation of employees and students civil and Human Rights in the University of California campuses where her husband Mr. Richard Blum is a members of the Board of Regents since 2002 and Janet Napolitano is a President since 2013 . They are solely responsible with the other regents and UC campuses administrators for creating and condoning such a despicable environment of power abuse. As Lauren DeBellis Appell, a freelance writer wrote in her article entitled &amp;#8220;Feinstein's shameful Kavanaugh Hail Mary pass , Senator Feinstein by smearing Judge Brett Kavanaugh with the unspecified accusations that possibly might involve criminal conduct was nothing more than Senator Feinstein&amp;#8217;s an act of desperation at the end of her political career. It was designed not only to block Judge Brett Kavanaugh&amp;#8217;s nomination to the Supreme Court but to tarnish and to destroy Judge Kavanaugh&amp;#8217;s and his family life in the ongoing witch hunt to delegitimize President Trump. <a href="http://www.foxnews.com/opinion/2018/09/13/feinsteins-shameful-kavanaugh-hail-mary-pass.html">http://www.foxnews.com/opinion/2018/09/13/feinsteins-shameful-kavanaugh-hail-mary-pass.html</a></p> <p>Regards</p> <p></p> <p></p> <p></p> <p><a href="https://www.scribd.com/document/388672030/2018-IRS-Tax-Fraud-UC-Regents-Lockyer-Harris-Brown?secret_password=zcNRihUOpKAGnvyoXv">https://www.scribd.com/document/388672030/2018-IRS-Tax-Fraud-UC-Regents-Lockyer-Harris-Brown?secret_password=zcNRihUOpKAGnvyoXv</a></p>

Tip:	I am seeing Brett Kavanaugh accused by a very credible woman of sexual assault. Her name is Christine Blasley Ford as we found out this morning, she has come forward. Because Brett Kavanaugh is running for supreme court judge, it would be a crime against American humanity for the FBI not to investigate this accusation before his possible appointment. This is a homeland security threat and of grave importance. I have emailed my senator. I am seeing something that needs immediate and clear FBI action, and I am saying something about it to you. Tip:	It has been announced that Sen. Grassley has refused to allow a 3rd witness to a Sexual assault committed by Brett Kavanaugh against Dr Ford, the woman who is the victim. Sen. Grassley is breaking the law by not having this third witness to be asked questions. It should be noted that the man has made extensive public postings about drunken black out behavior which is quite relevant to the case. I expect a professional police agency to explain to the Senator and to the American public why this obviously can not stand. Thank you for doing this and all the other work you do.

Tip:				

I have a new memory of Brett Kavanaugh, Christine Blasey Ford and friend of Ford being inside a house at a party in Palo Alto, CA. The date could have been around 1983. I went to the party with [REDACTED]

b6 -3, 4  
b7C -3, 4

[REDACTED] is likely still alive and may recollect more fully than I. I recall hearing Ford's name spoken and seeing her in the room where and soon before she was assaulted. I also recall Kavanaugh's face and hearing his name attached to his face. I think I left the room to use the bathroom and was walking down the hall when I was told a woman is being assaulted. I think we opened the locked upstairs room (or tried to) using the bobby pin trick. We called the police. I saw Kavanaugh race down the stairs and out of the house. I think we tried to file a police report upon the incident. Inside the house where the party was held I heard a person say Kavanaugh has done that before [sexual assault/rape].

I don't yet recollect the entire party event perfectly but I will swear that I saw Christine Blasey Ford (she has a distinctive face I recognize) and Brett Kavanaugh at a Palo Alto party in the early 80's and that we tried to get Ford to make a police report upon the assault which was an attempted rape charge against Kavanaugh. Someone at the party said Brett Kavanaugh has attempted and/or committed rape before. Although Wikipedia dates the assault in 1982 I think it may have occurred in the summer of 1983. This is because I think I spoke to someone at the party about my Ultra Deep Dive and that could not have occurred in 1982.

I saw Brett Kavanaugh inside the Austin, TX bar around March 10, 2015. He was talking to Donald Trump. Trump had asked him something which led him to say: yeah, I've raped. After hearing that Trump offered him a place on his team. Sometime later Kavanaugh said he wanted the Supreme Court Justice appointment. I was unable to discern all of the conversation between Trump and Kavanaugh. I think I heard a person in the bar on the same night say Kavanaugh's going to need an alibi.

I am currently and repeatedly being harmed by wireless radiation especially energy which is being emitted from the man who lives in the apartment above mine. The energy can keep me from remembering past events clearly. The energy has and continues to cause my brain injury: migraine with aura, soreness, tiredness, damage to neurons. Please refer to 80 page document I mailed in mid July 2018 for details upon connections to Apt 304.

Tip:	Sir I am concerned about the Supreme Court nominee Brett Kavanaugh. I currently have an active case with the Special Council regarding a pedophile human trafficking organized crime organization and the Judge presents the same way using their license plates to identify with the crimes they commit. His license plate says that committed crimes of rape against at least one of his children. I say this because he shouldnt be allowed to serve on the supreme court if he is in a child rape ring. you should open a new investigation on this judge before he is confirmed

Tip:	As reported to the news, from various News outlets, the Psychologist who alleges sexual crimes against the US Supreme Court nominee Brett Kavanaugh has had to move out of her home under threat of death. Dr. Christine Blasey Ford is now living in fear. This constitutes hate crimes and should not be tolerated. And if the President won't investigate this, at the least the Director of the FBI should issue a blanket statement these behaviors will not be tolerated and they will be prosecuted. And as such should warn anyone on social media, the news, radio etc. To take care to not incite violence against her.

Tip:	I tried to call but couldn't get through to the appropriate place to leave a message. I'm writing to ask the FBI to investigate the allegations of sexual assault made by Christine Blasey Ford against Brett Kavanaugh. President Trump said yesterday that investigating this matter was a decision to be made by the FBI and that he would support it, so I am urging you to do so immediately. Exercise your authority to serve the American people and protect our federal institution, the Supreme Court! Additionally, please provide protection for Christine Blasey Ford and her family, who are receiving death and other violent threats that prevent them from staying at their home. Please ensure her safety and please take responsibility for investigating the serious matter of sexual assault, in this instance with ramifications to the future credibility of the Supreme Court. Please help us!! Thank you.

Tip:	Please take Christine Blasey Ford seriously and don't let the senate make a mockery of her sexual assault! Be an example to all sexual predators that this is something the United States does not tolerate no matter who you are! Kavanaugh may control the Supreme Court for a long time and we should hold him to the highest regard, please look into who may have the last say so in what could be your daughters or even my daughters future!! He is not above the law! Imagine the message this is sending to other boys and men!! Do not let this be swept under the rug!! Investigate Brett Kavanaugh for the sake of our future!!

Tip: a Kavanaugh's #Me Too moment NOT from high school

Fbi Tipline.

re: Brett Kavanaugh & the possibility of a  
a Kavanaugh's  
#Me Too moment NOT from high school

In a public communication via twitter,  
I saw the following comment:  
"FWIW, a DC lawyer told me This AM

he'd been waiting for KAV's #MeToo moment ...  
BUT  
the story he knew was NOT from high school ...  
BUT from a summer  
clerkship. &#8230;"

I do not have a personal twitter account. but closely  
follow current events  
via this medium.

Below is a copy from my notes  
of a public twitter communication  
from Sunday, 9/16/18 referring to a  
possible  
Kavanaugh's #Me Too moment NOT from high school

As of Monday  
evening [REDACTED] is now a protected account

Tip: Christine Blasey Ford: Kavanaugh accuser 'faces death threats'

She should  
have a protection detail; immediately!

Kavanaugh supporters making these  
threats must be found and prosecuted!

Is Brett Kavanaugh connected to  
these threats?

Christine Blasey Ford's attorney told CNN her client  
has been "deflecting death threats and harassment".

Lawyer Lisa Banks  
said before her client goes to Congress, she wants an FBI investigation  
into Judge Kavanaugh.

Tip:	Your phones are gridlock, your website a maze. This is in regards to SUSPICIOUS ACTIVITY not a TIP.  For the love of God, do an investigation on the Christine Ford case as she requests. The old white male dickheads (who are MORE than suspicious) running the Brett Kavanaugh dog and pony show want to railroad Dr. Ford like they did Anita Hill because she is only a woman and they have unchecked power to do it. Our fascist president would be so happy if you didn't do your job. Without doing what is right and decent you are only aiding and abetting our dictator. PLEASE MAKE THE MOTHERFUCKER UNHAPPY AND DO AN INVESTIGATION. Thank you.

Tip:	<p>This article describes several attempts to intimidate the federal witness Professor Christine Blasey Ford from testifying through doxxing, death threats and more. Dr Ford has had to leave her home which severely impairs her ability to prepare for her testimony. I understand that investigations of federal witness tampering fall under FBI jurisdiction, including Dr Fords claims of sexual assault by Brett Kavanaugh. I realize this is public info but as I understand it you need a request of some sort to begin investigating. So I'm requesting.</p> <p>I've also witnessed harassment of other women coming forward on social media to corroborate Dr Ford's testimony, only to be mass mobbed by people making threats. [REDACTED]</p> <p>[REDACTED] as a result of such harassment.</p> <p>Please help look into this. Thank you for your work/service! [REDACTED]</p>

Tip:	<p>Title 18 &amp;#8250; Part I &amp;#8250; Chapter 41 &amp;#8250; &amp;#167; 875(c) appears to have been violated in the matter of Dr. Christine Blasey Ford due to her name having become public in association with her allegations against SCOTUS nominee Brett Kavanaugh. In her public statement and since through her attorneys it has been noted Dr. Ford has received threats including death threats and in fact has been forced into hiding. She/her attorneys have noted email/social media have been hacked. Any mail, phone calls or emails/social media that have included threats that come from outside California (where she lives and works) makes the matter a federal case the FBI is authorized to and should investigate. IOW the claims of the White House and Senate Republicans including Judiciary Committee Chair Senator Grassley that the FBI has no reason and/or jurisdiction to investigate Dr. Ford as she and her attorney's have publicly asked for is bogus. The FBI in the course of investigating the threats will undoubtedly see they relate to her statement about her attempted rape by Judge Kavanaugh. In addition, since Dr. Ford has been publicly named as a witness the Senate Judiciary Committee wants to hear testimony from this coming Monday witness tampering is another crime in addition to the death threats and computer crimes under federal statutes the FBI has jurisdiction to investigate whether the WH and the GOP want them to or not.</p> <p></p> <p>Federal crimes have been committed against Dr. Ford relating to her allegations in a very public matter. I implore the FBI to follow its mission and fulfill its duty in this matter.</p>

I have additions and corrections to my correspondence uploaded around 4:30 pm on 09-18-2018. I removed last paragraph only due to space limit.

I have a new memory of Brett Kavanaugh, Christine Blasey Ford & Mark Judge being inside a house at a party in Palo Alto, CA. The date could have been around 1983. I went to the party with [REDACTED]

b6 -3, 4  
b7C -3, 4

[REDACTED] & may recollect the party more fully than I. I recall hearing C. Blasey Ford's name spoken & seeing her in the room where & soon before she was assaulted. I also recall B. Kavanaugh's face & hearing his name attached to his face. I think I left the room to use the bathroom & was walking down the hall when I was told a woman is being assaulted. Some persons had heard loud voices & a struggle. I ran through the hall screaming murder & a young man said I don't think it's murder so I changed my outcry to assault. I think we tried to open the locked upstairs room using the bobby pin trick. Maybe someone found a key. We called the police. I saw Kavanaugh race down the stairs and maybe out of the house. I think we tried to file a police report upon the incident. Inside the house where the party was held I heard a person say Kavanaugh has done that [sexual assault/rape] before.

I don't yet recollect the entire party event perfectly but I will swear that I saw Christine Blasey Ford (she has a distinctive face I recognize) & Brett Kavanaugh at a Palo Alto party in the early 80's & that [REDACTED] & others tried to get C. Blasey Ford to make a police report upon the assault which was an attempted rape charge against Kavanaugh. I remember [REDACTED] communicating to maybe-the-police that C. Blasey Ford was traumatized. I remember C. Blasey Ford saying so it would be attempted rape. Someone at the party said Brett Kavanaugh has attempted &/or committed rape before. Although Wikipedia dates the assault in 1982 I think it may have occurred in the summer of 1983 because I think I spoke to someone at the party about my Ultra Deep Dive & that could not have occurred in 1982.

b6 -3  
b7C -3

I saw Brett Kavanaugh inside an Austin, TX bar around March 10, 2015. Brett Kavanaugh was also pointed out & named by people in the bar. I think he was in the bar on both evenings I was. He was talking to Donald Trump. Trump had asked him something which led him to say: yeah, I've raped. Then a woman said: Did I just hear Kavanaugh say I've raped!? After hearing Kavanaugh say I've raped Donald Trump offered him a place on his team. Sometime later, maybe the next evening, Kavanaugh said he wanted the Supreme Court Justice appointment. I was unable to discern all of the conversation between Trump & Kavanaugh. I heard a person in the bar on one of the two evenings say Kavanaugh's going to need an alibi.

Trump  
unleashes on Kavanaugh accuser

(CNN)President Donald Trump, in a series of tweets Friday, deviated from his previously measured comments about the woman who has accused his Supreme Court pick Brett Kavanaugh of sexual assault, claiming that if the attack she alleges "was as bad as she says, charges would have been immediately filed with local Law Enforcement Authorities".

Trump  
questions why Kavanaugh accuser didn't call the FBI after alleged assault

Washington  
(CNN) President Donald Trump deviated from his previously measured comments about the woman who has accused his Supreme Court pick Brett Kavanaugh of sexual assault when he questioned Thursday why the woman didn't call the police 36 years ago, when she says the incident happened.

this  
is highly illogical rationalizing.

missing all the important aspects.

focusing on the person of the accusation - not the subject or facts.

Tip:	LastThurs. PBS News Hour reported a H.S. classmate of Dr. Ford who recalled a lot of grape vine talk at school about the alleged attack on Dr. Ford, shortly after the party Dr. Ford has reported. This classmate was deluged by reporters and then refused all attempts of contacts. Since the FBI is reported to be investigating the issue privately regarding Judge Kavanaugh & Dr. Ford, it would be beneficial, perhaps, to look into this apparently contemporaneous source. Thank you for all of your service to our country.

Tip:	Steve Reilly, investigative reporter for USA today, posted documents on Twitter re: Judge Brett Kavanaugh. 2005 net worth \$91K \$10K in bank & \$25K credit card debt. Feb 2006 property records show \$980K mortgage on \$1,225,000 home; \$245,000 down payment. Kavanaugh said financial assistance for home purchase - Thrift Savings Plan in Judiciary hearing. 2006: the TSP was \$15,001-\$50,000. A posting on it from a former bank suggested Mortgage Fraud b/c no part of down payment can be borrowed without disclosing it. Doesn't appear that source of money was disclosed. There is also discussion (not at all sure) that there were debts paid off. I have copies of documents. You are the experts and I, and millions of Americans, appreciate your work. Stand tall. We back the Mueller investigation and have faith in the FBI.

Tip:	I believe that the DNC, the democratic Senators involved, and the accusers of Brett Kavanaugh, should be investigated. Certain parties withheld the information until its release would likely delay the process until after upcoming elections. Once it became clear that such a delay would be unlikely, a second accuser surfaced. Both accusers made the same demand for an investigation by the FBI. As soon as it became clear that the FBI would not investigate the first accusation, a very convenient, second accuser comes forth. The motive is rather obvious. An investigation by the FBI is the best hope to delay the confirmation process of the nominee. I believe that Americans' tax dollars being wasted on unwarranted processes and procedures due to politically motivated, unethical activities should be investigated. American citizens deserve better. I believe there are countless Americans like myself that still consider libel and slander serious offenses, as most often the victim cannot repair the professional and social damages incurred.

Tip:	With two credible accusations of sexual assault by Christine Blasey Ford and Deborah Ramirez, the Senate Judiciary Committee must suspend its confirmation process of Judge Brett Kavanaugh for the U.S. Supreme Court and call for a full investigation of the allegations.  These allegations are directly relevant to determining Kavanaugh's character and fitness for a lifetime appointment to our nation's highest court. Indeed, how these allegations are handled present a crisis of legitimacy for the U.S. Supreme Court, itself.  We stand with Christine Blasey Ford and Deborah Ramirez and ask that you call for a full investigation into their allegations and to halt the Kavanaugh hearings now!

Tip:	<p>I would like to suggest that attorney Michael Avenatti's statement to national media outlets (interstate commerce) that he, or his client, will accuse the Hon. Brett Kavanaugh of a crime if his nomination to the SCOTUS is not withdrawn by himself or the president within 48 hours, constitutes blackmail, intimidation of a public official, extortion and threatening communication. Tip:	On September 25, 2018, alleged comedian Jimmy Kimmel (host of ABC's Jimmy Kimmel Live!) made a televised threat against Judge Brett Kavanaugh, a Federal official. The threat was an implication to "cut that pesky penis of [Kavanaugh's] off" while a Federal official was engaging in his duties. Such threats of physical violence has become commonplace from individuals such as Kimmel. I understand this was a poor excuse at humor, but there does need to be consequences for such threats.

Tip:	No guris. FYI. The reference, with respect to Mr. Kavanaugh's reflection of who he is that the Little Flower is a Social Work Organization that specializes in placement of Foster children in protective homes and adoptions. I know he lived with his mother and all that, I did not know she placed him into Protective Services, and this again goes on in New York. I do not know this organization to be in another state. The Little Flower, it is not a church although one may have become synonomous with it. Funny, how a foreigner coming to America and attaining a wealth of training and education can make a mountain out of a mole hill. Mind you he may have been purchased by foreign Patrons like Obama and be around foreigners like Ginsberg and plot against government. They have been fairly harmful to the publics physics and mental wellness and quite nasty. Kavanaugh is out to juice America with the rest of them that have remained in hiding and not observed yet.

Tip: Apparently, some of my neighbors don't recognize me as living here. They like [REDACTED] They talk to me and then they make like I'm [REDACTED] and I get molested and lose the privacy of my home and person.

b6 -4

So,  
I can't live without being a Siamese twin Human handcuffed to this filth-shit human. There's a former neighbor, [REDACTED]

[REDACTED]  
place. Besides being very negative and informing me that 1 in 3 bunion surgeries fail - I'm having surgery tomorrow, after talking to him, I no longer had any privacy from [REDACTED] It turns out he's been responsible for the assaults to my hands where it felt like someone was targeting the nerves in my hand. b6 -4  
b7C -4

So, with respect  
to the Jihadi attitude towards the US, Shiia or Sunni makes no difference.

That  
is [REDACTED] who has been able to watch me in my apartment and knows when I haven't been wearing a bra under two layers so that I can be molested while my driving my car.

b6 -4  
b7C -4

I gave [REDACTED] some non-beef salami  
some moths ago - food from my refrigerator before I was traveling - so somebody is mad about that [REDACTED] had a Swedish-Iranian visitor and for some reason the taste of his body odor wound up near my mouth and was later all over [REDACTED] who was in a car accident (not his fault) in Van Nuys about a month ago. No gurls. These are pictures of the inland formation of a shoals somewhere in Southern China. This is where Pence comes from. There was a movie about this area being developed by white looking feeling non-Asian men in the 1920-30's. I saw them b/f they walked on land, they looked like weebies seen me to. There was a Lagoon nearby/they polluted it so bad, it almost killed everything on the planet. I saw it day 1, when I started having these visions&nope they not from Pence's mind/body they from dah movie. He used force on me to try to figure something out/then tried to run away w/the power of God, so I have believed the 1st one made me mad enough to wack him wholely. While I was wiping all traces of his be from the planet's history, I saw the other Mike Pence. A passer by who assumed the Id for political purpose.

The other Mike was more of an Assyrian/Korean/Jap. This 1 strictly from China. So, I guess I asked for something&got it, maybe this 1 has a good chunk of Immigrants&needs to take them home(they auto ousted.) Condoleezza is a user&shoot her if we ever had a chance. So, she is not around us or up in front w/out audacity or shamelessness. A few more groups got blasted to dah past. I am about to ramp up some new things, that should be mercilessly implemented. Okay, the riotous grps I know of colored or Chinese folks, were just too rampant, they wanted someplace outta my sight to live&grow, we decided we don't live nicely side by side, everybody wanted outta here, cause I was too damn bossy. The White ones, was still in the ground&we was throwing down in Hollis. NOW, I decide, them whites too persnickely&justa like dem colored ones. They had to stay home, they had butterflies&moths the size of telephone books landed in my sista's kitchen. I was so shocked I tried to capture one&had it outside&by the time I went to sell the darn specimen which was living okay, her&her baby daddy stole it where I hid it and set the darn thing free, talking "Its not right to hold the thing like that, besides it was scary looking." I was maybe gonna get 1k or something. They pissed me out. So, the next thin I do is go somewhere to do my updates,&then I decideto sell Euro on taking the Turkey. Okay, they wanted em, they liked em, they been eating them. NOW, the dudes know I was stomping on somebody somewhere else,&I was always rooving over the lands over there like I was a drone. But, I not a drone. So, I see Condoleezza&her friends in another part&decided she sold us out&needed to be punished,&buddy of Kavanaugh tried to genocide Americans w/a group of folks&was passing the girls around, what I then did was cock block him&insert 2 of his. He was is so dirty, that his own henchmen crew knocked him in it. Now, that is bad. So, I right to run around in memory to look&do to see how much of a danger the Raptors will be to the Mongols.

Trumpdom is the Skulliduggar  
"Capt'n GreySkull" lord of the grey himself. He uses the Nova-Scotia grp that was blown to betsy back in dah day shippin shipped overdone manure from abroad it blewup.

	[REDACTED] have all admitted		
	they have resume (for the past 11 plus years) the practice of witchcraft/vooodoo/wicca telepathy practitioners practicum sensory simulation in order to mentally harass the staff with Pulaski County Prosecuting Attorney Larry Jegley's Office.

	"Now I've got to force LRPD Officer [REDACTED] to marry me, so I can receive his social security and any other retirement that I'm entitled to but since I'm not his wife [REDACTED] is his legal wife, I have to either keep subjecting her to this wicca so she will take her own life and then changed their marriage license to reflect my name and not hers."

[REDACTED] did not harass me mentally nor

I requested that be posted. Besides when you make a posting on any contact

Tip:	I do t think this Brett Kavanaugh is a real person for the Supreme Court. There was a time where ppl were stealing from me. And I knew it. And I don't understand who would actually harm a community without doing homework on the ppl. He seems to be a figment of someone's imagination and I haven't heard of him before. And is he vetted. Maybe none of my business. But it seems dangerous on my phone and really fake news. Please give me my intel career back cuz I'm a great judge of people ... a fake name on the Supreme Court seems very wrong to me. I would stop that.

Tip:	I do t think this Brett Kavanaugh is a real person for the Supreme Court. There was a time where ppl were stealing from me. And I knew it. And I don't understand who would actually harm a community without doing homework on the ppl. He seems to be a figment of someone's imagination and I haven't heard of him before. And is he vetted. Maybe none of my business. But it seems dangerous on my phone and really fake news. Please give me my intel career back cuz I'm a great judge of people ... a fake name on the Supreme Court seems very wrong to me. I would stop that.

Tip:	I Believe The Lord Jesus Christ is saying [redacted] is also an eastern star sorority sister who is providing false testimony against Brett Kavanaugh because of his views on abortion and gay marriage. Her allegation is similar to those that have resulted in the conviction and sentencing of actor and father figure Bill Cosby. Interesting.

Kavanaugh  
accuser Deborah Ramirez has 'no agenda' and is 'willing to cooperate,'  
attorney writes

i dont see why sex harrassment would be a  
dis qualifier in american politics - it may even look good.

i  
mean you couldn't be a street cop if you were a sex offender -

cuz  
u handle sensitive info - and witnesses -

but like one of 9 federal  
supreme court judges may be different or something.

For Deputy Director Bowdich and ADs Priestap abd [REDACTED]

The head field

agent has spent the last few hours saying "I had sex with a kid", a sentence I am hearing for the first time in more than 22 years of this crap, including 15 years of fbi agents talking to, and at me against my will. Why? Brett Kavanaugh. He again is getting his ideas from the tv. Why? President Trump's called him a cancer on tv, so the head field agent is going to use what the President is speaking about to continue committing the eye assault he guaranteed no more use of, and the sexual evidence planting he guaranteed no more use of. This is the clown who came in the last week of September 2017 and planted on Monday "you like kids", then on Tuesday "you can't single me out", then on Wednesday "you are right, I like kids"; this was planting I singled him out and turned him. Early that Thursday was my first contact with the Trump White House, by Monday the White House sent me an email that the material was sent to the DOJ, and the head field agent planted that "they can't write to me and I can't write to them". Next they falsified the first Presidential documents by making it appear the White House believed the material needed to be sent to SAMSHA.

Well, last night the 1-9 pussy

planted as me "the head field agent is going to need to make you pay for singling him out". Now like a year ago, the head field agent is planting "he is being singled out"; this is planting foreign agents are trying to recruit and they get to treat me like I want money without the required physical evidence. This is planting a high level threat to attempt to murder. This is the one year anniversary of me reporting this same illegal crap. The FBI and DOJ cannot let the head field agent have a minutes worth of access to do it again.

\*\*as they have stated hundreds of times

over the years, "when we lie people in Washington (or now [REDACTED] and the NY Offices corrupt head lawyer) want or need things (are ordering) from you, you automatically make it clear the head field agents is running the case and ordering the crimes".

Tip:	<p>You should know that the latest accuser of Brett Kavanaugh who claims he sexually assaulted her works for political activist George Soros. Soros is well known for staging political protests and political stunts. He pays Antifa to get violent in the streets, and he pays women to wear "vagina hats," and to march for women's rights. He would be vehemently against Brett Kavanaugh's nomination to the Supreme Court, as Kavanaugh could overturn Roe vs. Wade.</p> <p>The accuser Deborah Ramirez, is backing off of her claims that she was sexually assaulted by Kavanaugh, now that she knows that she will have to testify under oath, and could be busted for perjury. As long as the accusation is out there, though, it could be enough to derail Kavanaugh's confirmation, and Ramirez's "mission" would be accomplished. As far as I know, false accusations and smearing someone's reputation are still a crime. The link that I provide further down the page here is a website showing that Ramirez works for George Soros.</p> <p><a href="https://www.opensocietyfoundations.org/press-releases/osi-announces-2003-winners-soros-justice-fellowships">https://www.opensocietyfoundations.org/press-releases/osi-announces-2003-winners-soros-justice-fellowships</a></p>

Still it changes nothing, I, am not standing down on anything, you there at the F.B.I. are supposed to be protecting me from this sort of stuff, I, maintain too &amp; as for Don Trump, instead of allegedly of worrying about me, [REDACTED] &amp; the reathers I ruffle in the media, he had better be far more focused on his nominee, Brett Kavanaugh instead [REDACTED]</p> <p>A.T.T.N. [REDACTED]</p> <p>This is [REDACTED] first from my work status, I, still have not heard anything from anybody, about anything, as you for example, may or may not already know, I, continue not to accuse you either within the media per se', until I, have legal proof as far as you are concerned, as far as your alleged obsession over myself goes or not. (You i.y.i. are receiving this e-mail, since Don Trump was just on the air regarding various topics on a live segment given today, mostly regarding his nomination of Brett Kavanaugh to the Supreme-Court,</p>

Tip:	<p>Another thing about [REDACTED] I didn't even know she was engaged until after that night. [REDACTED] did something similar. I had sex with her sometime around 1997-1998. After that I was speaking with [REDACTED] and I told him and he told me that [REDACTED] was dating [REDACTED] I felt bad.</p> <p>That's how [REDACTED] is. Crazier?</p> <p>A few years later [REDACTED] came back to my apartment when I was living in [REDACTED] house. When I pulled down her tight spandex pants from behind she teasingly responded as if I violated her. Totally nuts. Then, eventually she went home.</p> <p>That incident has followed me to this day, in [REDACTED] Sexual harassment and stalking by [REDACTED] and their families, and others. As if I did something wrong so they could do something wrong to me. It's wrong. How do they even know? It's an obsession, a dangerous obsession.</p> <p>[REDACTED] is infested. Why? I've been reporting this for several years. I've never raped a female, ever. I've never committed a sexual crime. Yet, the community and my neighborhood has terrorized me. Underage girls even want me sexually, they stalking me and harass me. And, until Trump became President they used the hospital and sheriff to sexually traffic me and punish me and torture me.</p> <p>They still haven't stopped though.</p> <p>Why? For several years they've coerced and threatened and tried to force me repeatedly into pedophilia, incest, rape, sodomy, etc.. I've been summonsed to court by a judge who repeatedly commits abuse and misconduct. I've been hospitalized by a hospital that abuses and tortures victims of sex</p>

I'm taking about local public corruption, which they'll oppose by saying the graft and corruption is private. And, they'll site the FBI in their own defense. And, this all ties into Brett Kavanaugh.

Tip:	<p>Re: Aircraft vessel hijacking and/or kidnapping on international air flight - February 14, 2017 Aeroflot Griboyedov (name of Russian writer, which also - curiously - also translates as: "Fungi-eater") flight Moscow-Los Angeles</p> <p>Good Morning.</p> <p>I would like to inquire about the possibility of a preliminary, confidential check report concerning myself on captioned flight (Feburary 14, 2017).</p> <p>There was something wrong with that flight, but I have no way - currently, at least - of proving what exactly it was. It may have had elements of kidnapping, or otherwise arriving in point B' instead of point B, from point A, which one normally expects when one boards a plane - especially on an international flight, especially a US citizen.</p> <p>In addition, I believe a may have been subjected to a system of technological measures, intended to confuse the senses within the meaning of the US Victims of Torture Act, on an Aeroflot flight Moscow-Los Angeles February14, 2017.</p> <p>I wonder if there's a way of verifying the information, based on camera footage at arrival point, other inputs and operative information.</p> <p>I have written to the Transport Security Administration regarding same. The Administration responded, that, after a careful check, they came to the conclusion that</p>

the inquiry was not within their jurisdiction.

I think it is dangerous to leave these things unattended. And, in the interests of prevention and safety of other passengers, there needs to be a follow-up, and the criminal group of perpetrators which authored the scheme, provided that that's what it is, should be held accountable.

Thank you for any information you may have regarding the circumstances surrounding this strange flight.

My role models have always been Joe Biden, Brett Kavanaugh and Michael Flynn. I think we, the American people, deserve better than being flown into an unknown location like some Turks.

Thank you and best regards.

Tip:	<p>Hi - I've heard about a possible sexual assault in Maryland in 1982 - two 17 year olds assaulting a 15 year old at a small party. Is this possibly within the jurisdiction of the FBI to investigate? The individuals in question - Mark Judge, Brett Kavanaugh, and Christine Blasey Ford - are on television right now.</p> <p>In all seriousness - as a citizen, I respect the FBI's work and am grateful for it. I request that Director Wray please open an investigation into these matters relating to the confirmation of Judge Brett Kavanaugh and allegations of sexual assault that have been directed against him, if it is in his power. Thank you for your consideration of this request.</p>

Tip:	Thank you for your time and attention. This is not an instance of someone being foolish or a smart-ass. I would like to know why the accusations against Judge Brett Kavanaugh have not been investigated by the FBI, and I would like to know what it takes for that to happen. Can a citizen who has nothing to do with the case, aside from being a concerned citizen of the United States as well as a victim of sexual assault, ask the FBI to investigate?

Tip: I watched the entire hearing of Dr Christine Blasey Ford and Judge Brett Kavanaugh, and I am outraged that there has not been an FBI investigation which would properly investigate this accusation. At minimum, the other witness, Mr. Judge should be subpoenaed and questioned. That is the minimum we deserve.

Tip:	Credible claims of sexual assault have been brought against Supreme Court nominee Brett Kavanaugh, as witnessed by millions of Americans at yesterday's Senate Judiciary Committee hearing. It is neither fair to the American people, nor in keeping with our nation's commitment to justice to have to hope that those claims will be investigated: they must be. The American Bar Association has called for a delay in the process and a thorough investigation. The integrity and credibility of the Supreme Court is at stake, and I implore you, as our leading law enforcement agency, to open an investigation into these matters immediately.

Tip:	To whom it may concern...having watched the testimony yesterday of Dr. Blasey Ford and Brett Kavanaugh, I believe there is sufficient cause for the F.B.I. to conduct an investigation into this matter, regardless of whether or not you've been asked to by President Trump. Dr. Ford's assertion that Mark Judge was a witness to the crime of sexual assault warrants questioning of both Mr. Judge and Mr. Kavanaugh by the F.B.I.'s department of Public Corruption, as Mr. Kavanaugh is a public official attempting to be confirmed to the highest court in our country. If Brett Kavanaugh lied on the stand yesterday about the alleged assault, he is also guilty of perjury. It is absolutely unacceptable for there to be zero investigation of sexual assault charges against a Supreme Court nominee, and as a concerned citizen and registered voter, I am asking the F.B.I. to open an investigation into these charges. Thank you.

Tip:	<p>Dr. Christina Blasey Ford; knowingly and willingly produced false testimony in an to attempt to derail the nomination of Judge Brett Kavanaugh. She is wasting tax money for a day of fame.</p> <p>As a medically treated Veteran for PTSD and anxiety since 2003, Dr. Ford's testimony does not consistently match her body's reactions. She clearly does not suffer from a psychosomatic disorder like I do as she childishly laughed off to entertain more complements of sympathy by drinking coffee (a stimulant that can make one appear anxious).</p> <p>Dr. Blasey operates a CIA undergraduate internship program at Stanford University and stated during testimony that she is only employed by another university in Palo Alto, CA. She denies any political motivation despite having social media contacts expressing her committed support to the Democratic Party. She also claims her anonymous group of friends; are helping her, including receiving cash through GoFundMe and other covert sources. Her sexual assault testimony is only based upon by an obscure broken chain of events that did not flow as the Prosecutor spoke of. She fails to explain if her physician has diagnosed her with mental illness and the prescribed treatment plan (CBT, Prolonged Exposure, EMDR) of psychotherapy is unclear even though she is a tenured professor specializing in trauma research. What is remarkable is that Dr. Ford failed to describe any personal identifiable characteristics about her perpetrator yet named as him as 100%; Judge Kavanaugh. From my personal experience, I clearly remember and can effectively communicate trauma reminders such as a scent or an unique phrase I cannot stop being interrupted with. Yet Dr. Ford didn't provide much detail of these triggers to support her treatment of PTSD as she didn't know much more to say about her condition. Dr. Ford appears to be an alcoholic and is a flat out psychopath. The saving grace from this disaster was the jargon Judge</p>		

DOJ-FBI-18-0597-A-000496

Kavanaugh journaled as he was humored to explain what &#8220;boofing&#8221; was growing up back then. Dr. Ford was unaware of such jargon and seemed aloof.

In addition, I informed Senator Grassley&#8217;s Office that Representative Shiela Jackson Lee handed Dr. Blasey&#8217;s attorney (bald white male to her seated left) an envelope caught on camera. It is widely sourced on Facebook and Twitter. I urge you to investigate Dr. Ford&#8217;s background and hold her accountable for her testimony today.

Based upon Judge Kavanaugh&#8217;s responses, he was truthful under Oath by stating he has had no contact ever with Dr. Ford. He is being framed, falsely accused and intimidated into possibly turning this matter over to the FBI.

I support Judge Kavanaugh and oppose Christine Blasey based upon their demonstrated candor (and lack thereof, respectively).
